

CABRIO®

OFFER FROM SELF-SERVICE 2024

The concept: The culinary essence of the Alps. Our chef collects his ingredients from as close to home as possible and knows his culinary partners.

The revolving restaurant uses only Swiss meat and cooks with Swiss ingredients as far as possible.

MOUNTAIN CHEESE

Just 2500 meters as the crow flies from the Stanserhorn, spicy specialities are maturing in the cellar of Simon Zumbühl's Huismatt mountain cheese dairy. Simon delivers a whole wheel of his unmistakable Huismatt mountain cheese to the Drehrestaurant kitchen every week.

STANSERHORN SAUSAGE

Roman Stalder emphasizes his personal acquaintance with the farmers from whom he sources his meat and appreciates their sustainable production methods. At the request of the Stanserhorn Restaurant, the Stalder butcher's shop in Ennetbrüngen develops the exclusive "Streckwurst".

ALPINE MACCARONIS

The magrons are made with Swiss durum wheat at Kernser-Pasta in Obwalden. The magron cream comes from Christian von der Molki Stans, and the Swiss Alpine Herbs organic vegetable bouillon is produced in Därstetten in Simmental. The potatoes and cheese are also from Switzerland.

These selected ingredients make them a real treat made from 100% Swiss ingredients.
