Please let us know in plenty of time ahead, when you would like to start your journey with us on the funicular to ensure your reserved seating. We can accommodate 39 guests on the funicular in a sequence of 10 minutes apart. Depending on the size of the group, we can schedule exclusive rides for your group. We highly recommend allowing plenty of time to enjoy the incredible view from different «view points» as well as a walk around the mountain on our easy accessible trail. Your guests will love you for it!

## Time Table

In order for us to help you plan a successful event, please let us know, what your time frames are in advance.

## Aperitif, Meals and Beverages

In order for us to be completely prepared for you, such as having the roast marinated in due time and let the wine breathe prior to serving it, we would kindly ask you to inform us on your choice of menu as well as wine as soon as possible. If you book an exclusive cable car ride outside from our regular schedule, we would ask for you to choose a 3-course menu to be served in our revolving restaurant.

## Bring your own Wine

If you choose to bring your own supply of wine, we kindly ask you to bring it to our station a couple of days ahead of time. We promise, we will transport and handle it with care, store and serve it to your group in a professional manner. For our service to do so, we add 35.00 Swiss Francs per opened bottle of wine (75 cl) to your invoice.

## Supplementary Meal

Our main courses do not include post-service. We are happy to serve you a starchy side dish, vegetables and meat as an after-service for an additional charge of CHF 8.00 per person. We kindly ask you to inform us in advance of this additional service.

## Rooms Available

Our revolving restaurant offers at lunch time 120 and in the evening 200 seats. At our «Bucher & Durrer» room we offer 60 seats. During the day, our revolving restaurant is open for everyone, therefore we can accept to reserve for 120 people. For our group bookings with 50 or more guests, we will reserve the revolving restaurant exclusively for you. Exceptions are the evenings of our regular «Stanserhorn-Events» such as Friday- and Saturday-Night Candle light Dinner and our regular Thursday-Night openings.

We reserve the right to change the above terms and conditions.
